

Supply List

Here are some (brief summary to give you ideas) items that we can use in our shipment to Ukraine. If you have questions about any item that you think could be included please contact John L. Kachelman, Jr. (jkachelman@msn.com). We CANNOT include any items that are taken INTERNALLY (no medicines that are injected; eye drops; foods, etc.). There are strict guidelines on electrical items as well.

General Health & Beauty Aids:

Just walk down any aisle of Wal-Mart or K-Mart or Walgreen types of stores and ANY item can be included as long as it is not used internally. TOPICAL medicines are very much needed!

NOTE: Some businesses will be glad to sponsor the purchase of these items for orphanages (like head lice treatment for one of the orphanages).

Most of the above items (in all categories) can be purchased for TWELVE CENTS per pound. If you would like to contribute funds to help purchase in this manner please make checks payable to the Judsonia church of Christ and mail them to:
