Life Resources International
Churches of Christ - Ukraine Missions,
2934 East Moore Street
Searcy, AR 72143

Dear John,

The Institution Recycling Network (IRN) is pleased to make available 8-10 containers of school and freestanding office furniture.

The total value of this donation is estimated to be \$817,176 and is determined according to resources found at National Hospitality Supply, Scientific Equipment Liquidators, School Outfitters, Dorm Buys, Amazon.com, and from IRN's resale experiences.

Please see the attached inventory sheet for the specific loading schedule needed. Inventory, description, quantities of items and representative values will be subject to availability at time of shipment.

A final load manifest with inventory and values will be forwarded to you within 24 hours of the completion of the load for customs clearance. The pickup location will be: S&M Moving Systems, 48551 Warm Springs Blvd., Fremont, CA 94539. The contact on the site will be Dana Draper and his phone number is 603-496-6543.

It is our understanding that this donation, once under your control, will not be bartered or sold and will be used in accordance with your charitable purpose and per your instructions.

It is a blessing to partner with you to assist those in need. If you would like us to go ahead and make the transportation arrangements, please e-mail the confirmation back to us at maichner@irnsurplus.com, ddraper@irnsurplus.com, and byorkell@irnsurplus.com.

Should you have any questions or concerns, please contact us at 603-229-1962.

Sincerely,

Acceptance

E. Dana Draper
