INTERNATIONAL NGO LIAISON SERVICES

## CENTRAL AMERICA, HERE WE COME!

August 8th, 2019 World of Connections Program with Dalraida Church of Christ volunteers loaded and sent the very first container to Honduras,

Central America. There are so many who donated their time and efforts to this project, and we would like to express our respect and gratitude to them.

In March of 2019, our partner, Kathy Cadden (Operation Ukraine, Columbus MS) received a plea from Victoria Rose (Tree of Life Ministries), to fulfill a new humanitarian aid request from Arbol de Vida, Honduras. And this is when cooperation among so many participants began.

# MANY THANKS TO OUR DONORS AND SPONSORS FOR MAKING THIS PROJECT POSSIBLE

This cargo included rice meals from Love the Hungry, food-grade corn from Children's Lifeline and Computer and accessories from Bhatt Foundation. And last but not least special thank you to Tree of Life Ministries for sponsoring transportation costs for this project.
