

# BY THE WAY

---

"The Way" is a beautiful phrase that encapsulates the essence of our purpose in this earthly existence. The earliest followers of Jesus resonated deeply with this description of their mission. "The Way" signified not merely a path to a destination or a specific way of living but a total surrender to Jesus, who referred to Himself as "The Way" and was acknowledged as the Chosen One.

**OUR CHILDREN** at *Nolen Hills* church family are learning the meaning of "loving your Neighbor" and giving sacrificially.

Other families in the Nashville area, such as Echo Hills, Berrys Chapel, Tusculum, and others, are challenging themselves to fill a container for Ukraine by the end of July... you can do the same!

These opportunities to share our blessings with others present themselves from time to time—and sometimes too often! We don't want to "tap" our family's resources, lest they tire of giving.

Tragedies, like accidents, are seldom foreseen and planned for. The conflict in Ukraine has become a slow-burning war of attrition. Only God knows when and how it is going to end. But His church always will react with love, compassion, and mercy!

When our grandchildren ask us what we did during that war, we can tell them, "We gave our coat, too!"—Matthew 5:40.

# URGENT NEEDS

-John Kachelman suggested we include the following items in the container, should we not fill it with buckets:

1. Electric Generators (better to send funds to purchase in Europe)
2. Winter weight clothing (slightly used)
3. Winter weight shoes (all sizes)
4. Blankets
5. Linens

NOTE: The container will be shipped from the **Healing Hands International** warehouse. You can take the donations there or call me, and I will pick them up!

Let's work together to make a meaningful difference in the world. If you have any questions or would like to extend your help, please call me at 615/ 686.1814.
