# Report September - October, 2026.
## Warsaw

### Thanksgiving and News from Warsaw

*We are sincerely grateful to our brothers and sisters in the United States for their financial support of the Warsaw House, which is currently home to 40 people. Your generosity helps those who find themselves in difficult circumstances. May the Lord bless each of you, and may the hand that gives never grow weary!*

*It is with deep sadness that we share the news that our sister Valentina passed away suddenly on November 2. She had lived in the Warsaw House since it first opened. Valentina was a Christian from Kramatorsk who became part of the church in the early 2000s.*

*We are currently making arrangements for her funeral and taking care of the necessary organizational matters. We ask for your prayers for Valentina's loved ones and for everyone affected by this loss.*

### Seminar in Warsaw

*During the last weekend of October, our church held a seminar covering three important topics: the Nature of Christ, the Nature of the Church, and the Mission of the Church.*

*The sessions took place throughout Saturday, and we concluded the study during Sunday's*

*sermon. Approximately 35–40 people attended.*

*For our first event of this kind, it was a very productive experience. We are grateful to everyone who participated and showed such interest. My part of the seminar focused on the topic* ***"The Nature of the Church."***

## *Daily Prayer Meetings*

*Every evening at 8:00 PM, we gather together for prayer. We bring before God everything we face in our daily lives, pray for Ukraine and for those close to us. We mention by name those we know who are currently serving in the Ukrainian Armed Forces.*

*However, our gatherings are not only about prayer; they are also an opportunity to study God's Word together. We have short lessons and work our way through the books of the Bible.*

*For the past 42 consecutive days, without a single break, we devoted our time to studying the Book of Job. On the 43rd day, we celebrated together and reviewed what we had accomplished.*

*We are currently studying the Book of Isaiah and have already reached chapter 17.*

## *Personal Evangelism*

*Two or three times a week, I travel to the center of Warsaw, looking for opportunities to start conversations*

*with people about biblical topics. These encounters often begin in the most unexpected ways.*

*On one occasion, I was wearing a sweater with the* ***Auburn University*** *logo. An American man approached me and asked if I was from the United States and whether I supported that team. This became an opportunity to get acquainted and, of course, invite him to our church gathering.*

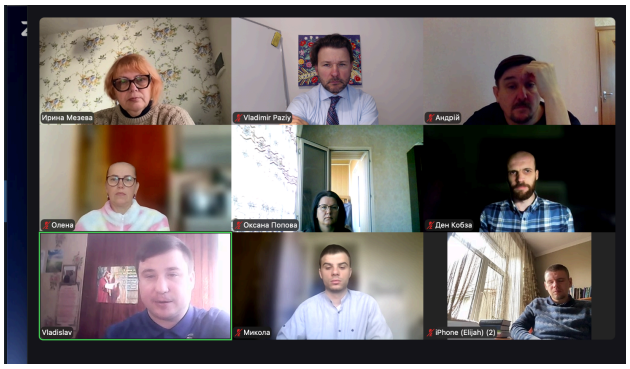

*It turned out that Ron was from Alabama and was currently studying psychology in Warsaw.*

*Stories like this happen quite often. Sometimes even an ordinary detail on our clothing can become a starting point for meeting someone, having a conversation, and introducing them to the church. We try to make use of these natural opportunities to meet new people and share the Gospel with them.*

## *Short Bible Lessons on Social Media*

*At present, a significant part of my time is devoted to preparing short Bible lessons for social media. Four times a week, I publish videos that are approximately 60 seconds long.*

*Despite their short format, preparing these lessons requires considerable time and effort. As you know, communicating meaningful and accurate content in just a few words is not easy. Each lesson must be carefully prepared, memorized, recorded, and published across several social media platforms.*

*I am encouraged by the responses and positive feedback these videos receive. This is a valuable way to share biblical truths regularly, introduce people to Scripture, and encourage them to study the Bible further.*

***Bible Classes at Warsaw.***

*Every Friday, we hold Bible classes at the Warsaw House, studying the Book of Psalms. We also meet every Sunday at 10:00 AM for Bible study before our worship service.*
*I lead these classes together with Oleg, a preacher from Pokrovsk in the Donetsk region. We take turns teaching. As a rule, I prepare slide presentations for each of my lessons to help participants follow the material and better understand what we are studying.*
*I am especially grateful to* ***Bear Valley Ukraine*** *for providing financial support to cover the rental costs for our Bible classes. This support makes it possible for us to continue meeting regularly and studying God's Word together.*

## *New Course at Bear Valley Ukraine*

*In October, a new course, Questions of Doctrine, was introduced at Bear Valley Ukraine. Special attention was given to the subjects of salvation, worship, and the inspiration of Scripture.*
*Denis Sopelnyk, Dmitry Golub, and I participated in teaching this course.*

## *Personal Visits*

*While passing through Warsaw on their way to Ukraine, we had the pleasure of meeting with **John Kachelman** and **Tanya Zozulina**. It is always a blessing to spend time with wise people, share conversations, receive good advice, and benefit from their spiritual encouragement.*
*I also cannot fail to mention my friend **Jeff Abrams**. On his way to Ukraine, he made a special stop in Warsaw for a few hours to visit with us and share his experience and wisdom.*
*I am sincerely grateful to these brothers for their life experience, spiritual wisdom, knowledge, and, of course, for making the time to meet in person. Such opportunities are truly valuable to me.*

## *A Prayer Request*

*As many of you know, my brother by birth and our brother in Christ, Maksym, continues to serve in the Armed Forces of Ukraine, defending his country against the Russian invasion.*
*I kindly ask you to remember him in your prayers. Please pray for his safety, health, spiritual strength, and God's protection.*
*Maksym always speaks with gratitude about his years of study at Bear Valley Ukraine and his service as a preacher in the Church of Christ. Those years and the experience he gained remain very dear to him.*

### *Personal Update*

*In just one week, I will begin teaching a new course at Bear Valley on the Book of Acts. I look forward to studying this important biblical book with the students.*
*Oksana travels to Ukraine quite often to spend time with our daughter. Rita continues her studies in her fifth year at medical university. Dima studies in Ukraine and works in Warsaw. When Oksana is in Ukraine, they do their best to be actively involved in the life of the local church in Ivano-Frankivsk.*
*If you have any questions, suggestions, or comments, I would be glad to hear from you and will be happy to respond.*
*Thank you sincerely for your support, prayers, and, of course, for your example of Christian living. We truly appreciate you!*

*In Christ Vladimir.*
